FAQs

Accordion layout — question expands to reveal the answer on click.

a) Question A	■
b) Question B	■
c) Question C	■
d) Question D	■

Note: This is a direct digital transcript of the original handwritten notes, structured for reference during site development. Fields 3 and 4 of the therapist form were left blank in the original draft. The Conditions We Treat categories and items were sourced from the reference flyer provided. FAQ questions were left as placeholders (a–d) since specific questions were not written in the draft.
